Disability Services

About Disability Services
Disability Services strives to promote the full participation of people with disabilities in all areas of university life. We collaborate with faculty, staff, students and community members to create diverse and accessible learning environments.

Eligibility
Disability Services proudly serves individuals with physical and/or mental impairments. Specifically, Disability Services assists people with the following documented disabilities:
• Learning disabilities
• Mobility issues
• Deaf and hard of hearing
• Blind and low vision
• Medically related disabilities
• ADHD/LD
• Mental health issues
• Temporary disabilities

Services
Exam Accommodation: Disability Services provides exam accommodation services such as distraction-reduced space, extended time, reader, scribe, assistive technology, taped exam, Braille formatting, CCTV, large print formatting, computer use as an alternative to paper based tests, audio output, test talker and raised table.

Assistive Technology: Disability Services provides materials in an alternative format for students in need who are qualified through Disability Services.

Sign Language/Transliterator: Disability Services provides Sign Language interpreting/transliterator services for eligible students who are deaf or hard-of-hearing that are registered with Disability Services.

How to make an appointment
To schedule a confidential appointment or to arrange testing, call the Fairfax Office at 703-993-2474 (voice) or text 571-230-4353 or visit the website.
